Re: Water and Sewer Service Area Pre-application
Velda Dairy Road South of Bradfordville Road

Dear Mr. Brown:

Talquin Electric Cooperative, Inc. (Talquin) hereby submits a water and sewer service area pre-application for properties fronting on Velda Dairy Road south of Bradfordville Road.

As required within Section 2.3.2 of the Policies and Procedures document for the construction of water and sewer utilities within Leon County, the following information is submitted for this water and sewer service pre-application:

1. The property containing both the water and sewer service area portion of this pre-application is drawn in red and the properties containing the water area portion of this pre-application are drawn in yellow on a copy of the Leon County Property Appraiser's map on Attachment "A". The existing Talquin water service area is drawn in blue and the existing Talquin water and sewer service area is drawn in green on this same attachment.
2. The names, addresses and parcel numbers of all the properties contained within this pre-application are listed on Attachment "B".
3. A conceptual drawing of the proposed water and sewer systems to be constructed to serve this pre-application is shown on Attachment "C-1". A general description of these utility systems is included on Attachment "C-2".
